Mobile Training Team (MTT)-ToT on Pre-deployment Training

Pre-deployment Training refers to all generic specialized and where appropriate mission-specific training that is based on UN standards and takes place prior to deployment to a field mission. This training is delivered by member states to military and police personnel in their home country.

Course Objectives:
The aim of this course is to build the capacity of the Vietnamese trainers with the basic principles, guidelines and policies they need to transfer knowledge to their troops as they prepare to deploy to UN missions for the first time.

Target Audience:
Military trainers from the Government of Vietnam

Participation:
By invitation from the Government of Vietnam
