

Dates: **14-18 March 2016**

Location: **Germany**

# **Validation Course on Reviewed Core Pre-deployment Training Material**

---

The existing Core Pre-deployment Training Materials are undergoing a scheduled review and as part of the review process, a pilot ToT is required to be conducted to test the reviewed materials.

## **Course Objectives:**

The aim of the pilot ToT is to test the reviewed CPTM on a sample target audience in a bid to ensure effective dissemination.

---

Target Audience:

**Trainers from TCCs**

Participation:

**By invitation from ITS**
