## **UN Military Staff Officer TOT Course – March 2022**

---

### **Aim and Objectives:**

The aim of the UNSO ToT Course is to familiarize peacekeeping trainers from the Rwanda Defence Forces with the STM for UN Staff Officer in order to enable them to deliver the same course in the future. The objectives of the course include:

- Enable participants to deliver STM for UNSO;
  - Enable direct interaction between participants and officers from ITS;
  - Assess the participant trainers on their delivery skills to be considered as international trainers in ITS Roster and
  - Support the development of the curriculum of the National UNSO Course to be conducted by the Rwanda Peace Academy
- 

### **Target Audience:**

The Course is open to Rwandan Defence Force officers with the rank from Captain to Lieutenant Colonel holding functional positions from which they can disseminate the training content received to other national audiences. Participants should be current or future peacekeeping trainers, staff trained, UN Peacekeeping Operations experienced, and expected to be fluent in English.
