UN Certified Instructor Development Course for the new Specialised Training Materials for UN Police (UNPOL STM 2021)

Aim and Objectives:

The aim of the course is to develop a pool of certified instructors, who can further assist ITS in the roll-out of the new STM training package. The training objectives of the course are:

- to enable participants to enhance their training delivery and mentoring skills;
- to familiarize participants with the newly developed UNPOL STM 2021 and streamline policy and guidance on the issue;
- to practice the delivery of the new programme;
- to assess participants on their delivery skills to be considered as international trainers.

Target Audience:

The training officers engaged in delivering UN pre-deployment training for Individual Police Officers (IPOs) with significant training experience (at least 5 years), should be fully fluent in English and previously involved in the development of the UNPOL STM 2021.
