UN Explosives, Ordnance and Devices (EOD) Training of Trainers (TOT) Course

Aim and Objectives:

The aim of this TOT course is to provide training to selected officers of Members States on the United Nations Military Units Standardized Training Materials on EOD. The training objectives of the course are:

- To expose and train the participants on the United Nations Military Units Standardized Training Materials on Explosive Ordnance Disposal;
- To enable participants to understand the conceptual, legal and operational frameworks related to military Explosive, Ordnance and Devices (MILEOD) operating in a UN peacekeeping operation to support the mission mandate;
- To enable participants to understand and examine the nature, capabilities, and characteristics of MILEOD and how they support the UN Mission components and, in some cases, the host nation;
- To enable participants to understand the concept of employing, integrating and supporting the MILEOD organization for operating in UN peacekeeping operations;
- Assess participants on their delivery skills to be considered as international trainers’; and,
- Streamline policy and guidance on the issue.

Target Audience:

Trainers of Members States engaged in the design and delivery of EOD training to its peacekeepers. The participants should meet the following criteria: Should be of the rank of Captain to Lieutenant Colonel or its equivalent; Be either currently employed as a peacekeeping training instructor or will be employed for such functions in the near future; Expertise on MILEOD; Should have a good command of the English language.

Dates: 10-21 August 2020
