United Nations Military Unit Manuals (UNMUM) Development Workshop for 7 Manuals

Course Description:
The Department of Peacekeeping Operations (DPKO) and the Department of Field Support (DFS) are developing 11 United Nations Military Unit Manuals to guide Member States on how to prepare units to undertake their tasks in peacekeeping operations (Aviation, Engineers, FHQ Support unit, Logistics, Maritime, Military Police, Recce, Riverine, Signals, Special Forces and Transport). The Integrated Training Service (ITS) of the Policy, Evaluation and Training Division is developing specialised training materials for each of these manuals.

Course Objectives:
The aim of the Development Workshop is to enable consultation with subject matter experts from Member States on the content and structure of the STMs.

Dates: 14-18 September 2015  
Location: Brindisi, Italy

Target Audience:  
Subject Matter Working Groups

Participation:  
By invitation from ITS
